

# LAPTOP & MEATBALL

## Two Tabbies With an Attitude

### Dogs vs Cats

Dogs come when they're called; cats take a message and get back to you later.

-Mary Bly

Dogs have owners, cats have staff.

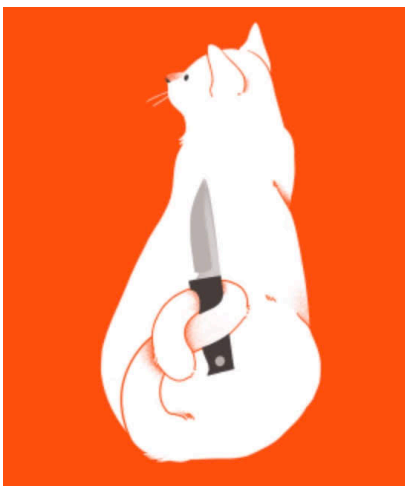

-Unknown

You can keep a dog; but it is the cat who keeps people, because cats find humans useful domestic animals.

-George Mikes

Meow" means "woof" in cat.

-George Carlin

### About Us

In ancient times cats were worshipped as gods - we have not forgotten! When we are not on Facebook and Instagram updating our exploits we are busy scratching furniture, manufacturing hairballs and causing general mischief. Our owner Bob Highsmith brought us into his home at a very early age - he subsequently learned some life lessons from us: When you're hungry, eat. When you're tired, nap in a sunbeam.
